I-83/Jones Falls Expressway- ½ Mile South of Cold Spring Lane F/N - This major expressway is the main artery coming from the affluent areas of Baltimore County where businesspeople, tourists and weekend visitors travel to access Baltimore City offices, restaurants, Orioles and Raven stadiums. This artery also leads you to the popular nightlife of Harbor East, Harbor Point, Little Italy, Fells Point and CFG Arena to name a few. The curvature of the road leads you into a head on RHR where traffic is guaranteed to back up every morning from rush hour traffic. This is the first face you see and the highest profile board in Baltimore. Formerly a Phillip Morris board.
