These signs reach the daily commuter traffic on the busiest highway in CA! Towering over I-5, these units face the main entrance to downtown Sacramento, as well as the busiest highway in California. Capturing daily commuter traffic between San Francisco and Lake Tahoe the walls on the Holiday Inn are impossible to miss. With the commencement of the Golden 1 Arena situated within feet of this location where the NBA Sacramento Kings play over 80 games a year, in addition to concerts and shows over 200 nights a year, the units on this building are truly spectacular.
