MEA STICKER

The safety code requires that ALL material be fire resistant/ flame retardant. All material used for installations must conform to this code. The listed MEA number [Material & Equipment Acceptability] must be supplied.

Graphic producer to provide affidavit of flame proofing specifying MEA number and attesting that the sign was made from retardant or noncombustible fabric.

MEA number to be printed on a self-adhesive label that can be viewed from the street or roadway with the aid of binoculars. This label shall be of colors contrasting with those of the background of the display. Label should be no less than 8 inches by 10 inches in size and affixed to a corner of the face of the sign fabric. Label is to include the following:

1. Symbol/Name of Testing Entity
2. MEA Number
3. Space for the installer to fill in the date with a marker

Please include the affidavit in the packing slip and have MEA number printed on the packing slip or carton/shipping tube.
